

## NEW! AWILCO Portable Power Station

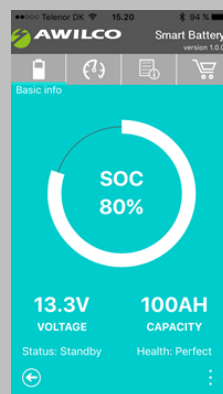

### AWILCO ES-500UK Energy System

Compact battery, smart design and mobile. Supports easy portable computers, handheld tool batteries, smart devices, temporary 230V AC, backup to alarms and monitoring.

**Robust | Easy to operate | Long battery life**

- 500W, 230V AC Pure Sine Inverter
- 50Ah LiFePo4 battery
- USB and 12V DC output
- Charged via 12V DC or 230V AC
- Prepared for solar cells
- Bluetooth battery monitor
- 37x13x25 cm - 9.2 kg

### AWILCO Smart Battery App

**Built of well-proven components | Minimal maintenance**

ES-500UK with accessories inclu-

## Specifications

<b>Product name:</b>	ES-500UK	<b>Battery model:</b>	Lithium 12V 50 Ah
<b>DC Charging:</b>	Voltage 13.5V—18V Power 5A	<b>AC Charging:</b>	Voltage:13.5V Power 6A
<b>12V DC output:</b>	Voltage DC 12V $\pm$ 5% Max output power 8A	<b>USB 5V DC output:</b>	Voltage DC 5V $\pm$ 5% Max output power 2A
<b>Dimensions:</b>	37x31x25 cm	<b>Weight:</b>	9.2 kg
<b>Operating temperature:</b>	-10°C to 45°C	<b>Storage temperature:</b>	0° to 45°C
<b>AC Output:</b>	Max continuous output 400W Voltage: AC220V $\pm$ 10% Waveform: Pure sine Frequency 50Hz
