

Vertical Balers

X-series

Baler X25 HD

Optimized for locations with space restrictions.

Fits in tight spaces with low ceilings. Very low height due to the cylinders being placed inside the machine.

Very heavy bale weight

The long stroke and exceptional press force allow the X25 HD to produce heavy bales

Highlights

- Handles diverse types of materials
- High volume chamber
- Retainer dogs prevent material from expanding
- Efficient and fast cycle time
- No openings or moving parts on outside of machine
- Low overall height
- Powder Coating provides durable finish in many colors

Optional Extras

Order your baler in a custom colour. Certain parts like top cover remain our standard grey.

Strap holders on machine top eliminate going behind baler.

Gain remote control of your baler with our intelligent fleet monitoring system, BRA-IN.
