

Vertical Balers

X-series

Baler X30 HD FD

Handles irregularly shaped boxes

The wide feed opening is perfect for irregularly shaped materials that are space consuming, like large cardboard boxes.

Multi-functional baler

The X30 HD FD is a multi-functional baler suited for a variety of different materials including cans, bottles, jugs, big bags, and expandable plastics.

Highlights

- Compacts heavy-duty materials
- Perfect for most bulky waste
- Retainer dogs keep material compressed in chamber
- Maximum compaction of waste
- Powder Coating provides durable finish in many colors

Optional Extras

With our monitoring system BRA-IN you can control and optimize your baler fleet.

You may choose other RAL colours for your balers.

A galvanized surface makes your baler environmentally resistant.
