

Vertical Balers

X-series

Baler X30 HD Galvanized FD

Perfect for harsh environments

When the machine is exposed to water and other liquids, the ASTM A123/A123M galvanized steel coating provides protection and increases lifetime.

Highlights

- Hot-dip galvanized steel
- Meets ASTM A123/A123M standards
- Ideal for PET bottles and aluminum cans
- Meets your specific needs
- One step bale and drain

Optional Extras

A draining system leads liquids out of your baler during compaction of wet waste.

Prevent unauthorized people from operating your baler with a digital auto lock.

Gain remote control of your baler with our intelligent fleet monitoring system, BRA-IN.
