

Vertical Balers

X-series

Baler X30 HD Galvanized

Perfect for harsh environments

When the machine is exposed to water and other liquids, the ASTM A123/A123M galvanized steel coating provides protection and increases lifetime.

Highlights

- Hot-dip galvanized steel
- Meets ASTM A123/A123M standards
- Ideal for PET bottles and aluminum cans
- Meets your specific needs
- One step bale and drain

Optional Extras

Restrict the access to your baler with a digital auto lock. Use a key tag or personal code.

Get online access to your balers with our monitoring system called BRA-IN.

A flap door prevents back-run when filling PET bottles and cans into the chamber.
