

Vertical Balers

B-series

Baler B7242 SD

Large, 72" x 42" baler

The B7242 baler is a heavy duty 72" x 42" baler that will produce bales weighing 1,400+ lbs.

Modern design and high press force

The B7242 is a perfect example of Bramidan's innovative design combined with a press force of over 110,000 lbs resulting in a machine capable of handling significant loads of cardboard or shrink wrap.

Highlights

- 72" x 42" bale
- 1,400+ lbs bale weights
- Large load door for large boxes
- 110,000 lbs of press force
- Front tie off for minimal space consumption
- Compliant with ANSI and UL standards
- Powder Coating provides durable finish in many colors

Optional Extras

Custom colors are available.

BRA-IN fleet monitoring system is included and gives you the ability to monitor the throughput of your machine remotely.

You can use either plastic strapping or baling wire to tie the finished bales.
