

# Vertical Balers

## B-series

## Baler B5 Wide

### Wide feed opening

An extra wide feed opening to accommodate large and bulky materials. Toss large boxes straight into the machine without breaking them down.

### Suitable for any application

This single-phase machine is user friendly and easy to install in a variety of different industries.

### Highlights

- High capacity – large output
- Wide feed opening (39 in.)
- Retainer dogs hold down compacted waste
- Auto-eject system
- Store and refill bale cord in front
- Single-phase power pack
- Meets ANSI and OSHA standards
- Powder Coating provides durable finish in many colors.

### Optional Extras

With our monitoring system BRA-IN you can control and optimize your baler fleet.

Balers are available in other RAL colours which you may choose.

Tie your bales with strapping or steel wires.
