

Vertical Balers

B-series

Baler B4 Textile

Specially for textiles

For compacting clothes, our B4 Textile is ideal. Specially designed without paint or retainers in the chamber to protect the clothes.

Small manageable bales

This baler makes small manageable bales that are easy to transport and stack.

Highlights

- No retainers or paint inside the chamber
- Protects the clothes and prevents staining
- Compacted bales measure just 70 x 50 x 35-65 cm
- Bales are easy to transport and stack
- A mounted knife makes it easy to cut the straps
- Automatic prevention of chamber overload
- Powder Coating provides durable finish in many colors

Optional Extras

There are no retainers inside the chamber, to prevent damage on the clothes.

Gain remote control of your baler with our intelligent fleet monitoring system, BRA-IN.

Personalize your baler with a custom RAL colour of your choice.
