

Vertical Balers

X-series

Baler X30 AD

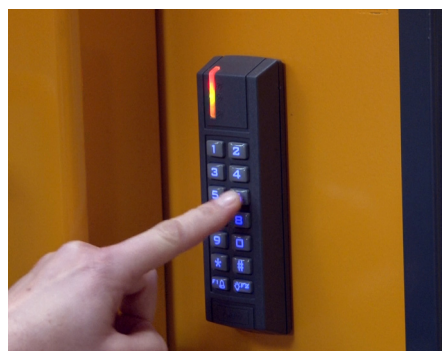

Handle space-consuming waste

The wide chamber and superior press force make the X30 AD suitable for handling large boxes and other space-consuming waste.

Highlights

- Compacts very bulky material
- For most waste materials
- Retainers prevent compacted material from expansion in the chamber
- Optimal compaction no matter which material
- Powder Coating provides durable finish in many colors

Optional Extras

Control who operates your baler with a digital auto lock.

Personalize your baler with a custom RAL colour of your choice.

Keep an eye on your balers with our BRA-IN monitoring system.
