

Vertical Balers

X-series

Baler X30

Handle space-consuming waste

The wide chamber and superior press force make the X30 suitable for handling large boxes and other space-consuming waste.

A baler for most types of material

Use this baler to compact most types of material including PET bottles, plastic jugs, aluminium cans, big bags, and expandable plastics.

Highlights

- Compacts very bulky material
- For most waste materials
- Retainers prevent compacted material from expansion in the chamber
- Optimal compaction no matter which material
- Powder Coating provides durable finish in many colors

Optional Extras

Gain remote control of your baler with our intelligent fleet monitoring system, BRA-IN.

You may choose other RAL colours for your balers.

Push your baler against the wall with top-mounted strap holders.
