

Master Cleaner

For lacquered, vinyl/LVT and laminate floors

Master Cleaner provides effective and easy cleaning, perfect for lacquered wooden floors, vinyl, LVT and laminate. It removes dirt, strengthens the surface, and protects against spills – without building up a soap layer. Ideal for frequent cleaning, such as in kitchens, and also suitable for painted floors, tiles, and other non-absorbent surfaces.

- Effective care and cleaning
- Produces a stronger, more resistant surface
- Fast and easy to use
- Danish Indoor Climate Label

Application area

For vinyl, laminate and lacquered/painted surfaces, as well as on tiles and other non-absorbent surfaces.

Work description

Preparation

For stubborn stains – use WOCA Intensive Wood Cleaner before cleaning with Master Cleaner.

Always Remember

Always remember to test on a less visible spot to check the compatibility of the surface with the product.

Treatment

Mix 125 ml of Master Cleaner with 5 L of lukewarm water and clean the floor along the wood grain. For best results: Use two buckets – one with soapy water and one with clean water for rinsing the mop. Ensure no water is left on the floor after cleaning.

Please note

For best results, use two buckets: one with soap water and the second with clean water to rinse the dirty mop.

Drying time

Drying time: 15-30 minutes at 20°

Technical data

Declaration: Less than 5%: non-ionic surfactants.

Density: 1.00-1.10 g/ml.

pH-value: pH 8-9

Shelf life: 3 years

Application Temperature: +15-30°C and approx. 50% air humidity.

Coverage: 320-400 m²/L

Colours: Colourless

Cleaning of tools: Use warm water

Storage: +10-25°C. Keep out of reach of children. Do not expose to heat (e.g. sunlight). Store frost-free during winter and cool during summer.

Packaging: 1 L

Dilution: Water

Odour: Odourless

Mixing ratio: 125 ml for 5 L water.

Maintaining and cleaning

We recommend treating the floor with WOCA Master Care twice a year. It smooths out minor scratches, protects against wear, and extends the floor's lifespan.

This information is based on extensive laboratory testing and practical experience. Because the conditions under which the product is used are often beyond the control of WOCA Denmark, we can only guarantee the quality of the actual product. WOCA Denmark A/S accepts no liability for incorrect use and handling of the product. In principle, this product can be considered an intermediate product, as results depend on construction, the nature of the surface, pretreatment, temperature, air humidity, application etc. WOCA Denmark A/S reserves the right to change the product and the stated information without notice. This label/product description replaces all previous versions.
