

Master Cleaner

For lacquered, vinyl and laminate floors

Master Cleaner is the go-to choice for those seeking a quick and effortless way to clean lacquered wood, vinyl, and laminate floors. This soap effectively removes dirt and grime while strengthening the surface and enhancing its resistance to spills. Leaving no residue, it's particularly suited for areas requiring frequent cleaning, like kitchen floors. Additionally, Master Cleaner is versatile and can be used on painted floors, tiles, and other non-absorbent surfaces.

- Effective care and cleaning
- Produces a stronger, more resistant surface
- Fast and easy to use

Application area

For vinyl, laminate and lacquered/painted surfaces, as well as on tiles and other non-absorbent surfaces.

Work description

Preparation

For particularly dirty floors or stubborn stains, start by cleaning with WOCA Intensive Wood Cleaner for optimal results.

Always Remember

Always remember to test on a less visible spot to check the compatibility of the surface with the product.

Treatment

Wash the floor thoroughly using WOCA Master Cleaner mixed to a ratio of 125 ml to 5 L of water. Wash the floor along the length of the floor covering. For best results, use two buckets: one with soap water and the second with clean water to rinse the dirty mop.

Please note

For best results, use two buckets: one with soap water and the second with clean water to rinse the dirty mop.
