Natural Soap Spray

Cleaning and protection of oiled wood

Natural Soap Spray is ideal for cleaning and maintenance of oiled, waxed and natural soaped surfaces. Natural Soap is a pre mixed quality soap, which due to its nourishing properties quickly closes the pores of the wood and protects against dirt and penetration of liquids. The ready-mixed Spray makes the maintaining of oiled furniture, doors, table tops, panels, stairs, floors easier.

- Nourishing effect on oiled and soaped surfaces
- Ready mixed
- For regular cleaning
- Ideal for floors, furniture, table tops and panels
- Indoor climate labelled

Application area

WOCA Natural Soap is suitable for regular cleaning and maintenance of oiled, waxed and soaped wood surfaces. The soap is especially ideal for floors, furniture, table tops and panels. Natural Soap White is recommended for surfaces treated with white oil, while Natural Soap Natural is ideal for surfaces treated with natural or colour oil.

Work description

Preparation
Very dirty stains can be cleaned with the WOCA Wood Stain Remover or WOCA Intensive Wood Cleaner.

Always Remember
Always remember to test on a less visible spot to check the compatibility of the surface with the product.

Treatment
Shake the spray well before use. Spray the Natural Soap on the surface. Wipe down the surface with a cotton cloth.

Please note
Use cloths with high cotton content. Don't use cloths containing microfiber only.
