

Industrial Oil 2000

Fast-drying industrial oxidizing oil for wooden floors

Industrial Oil 2000 is a fast air-drying oil with high solid content and high penetration. It is very receptive to coloured pigments, allowing the creation of exceptionally powerful colours, and is ideal for creation of customized colour solutions in combination with stains. The oil is based on natural vegetable oils and ensures a durable wood floor combined with an effective and flexible roller coater application.

- Fast air-drying oil
- Endless choices of customized colours
- Easy application on a variety of processes
- Generates well-tested durable wooden floors

Application area

For surface treatment of wooden floors and parquets in solid wood, hardwood and softwood.

Work description

Intermediate sanding grits

Grit 320-400.

Sanding grits

Grit 100-120.

Treatment

0
