

WOOD FLOOR SOAP

Cleans and protects oiled, waxed, and soaped wood surfaces

Woodcare+ Wood Floor Soap Natural care for oiled, waxed, and soaped wood surfaces. This gentle, penetrating soap removes dirt while helping to prevent the wood from drying out and cracking. It leaves a breathable soap layer that enhances durability and makes cleaning easier.

- Nourishing effect on oiled and soaped surfaces.
- For regularly cleaning.
- Ideal for indoor floors and furnitures.

Application area

Wood Floor Soap is for cleaning and caring for oiled, waxed, and soaped wood surfaces and is especially suitable for floors, furniture, tabletops, and panels.

Work description

Always Remember

Always remember to test on a less visible spot to check the compatibility of the surface with the product.

Treatment

Shake Woodcare+ Wood Floor Soap thoroughly before use so the pigments (white) are evenly distributed. Mix 250 ml of soap with 10 L of water and clean the surface with a well-wrung mop along the grain of the wood. For best results, use two buckets: one with soapy water and one with clean water to rinse the dirty mop. Use as little water as possible – let the soapy water remain on the surface briefly to dissolve dirt. Remove the dirty water with a well-wrung mop or cloth and rinse it in the bucket with clean water. Always wipe the surface with a mop or cloth wrung in soapy water to restore the protective soap layer. For initial treatment of soaped wood surfaces: Mix 1 L of soap with 10 L of water. Treat the floor 3 times over the first 2 days with this mixture.

Please note

Use a mop/cloth containing cotton - don't use 100% microfiber.

Drying time

Drying time : 15-30 minutes at 20°

Technical data

Declaration: >15% =30%: anionic surfacants.

Shelf life: 3 years

Application Temperature: +15-25°C and approx. 50% air humidity.

Coverage: 150-200 m²/L

Colours: Natural, White

Cleaning of tools: Use water

Storage: +10-25°C. Keep out of reach of children. Do not expose to heat (e.g. sunlight). Store frost-free during winter and cool during summer.

Packaging: 2.5 L
