A COMPLETE SYSTEM FOR HARDFLOORS

Give the floor new life with effective protection.

PU protection for LVT, Vinyl and Linoleum floors

Learn more!

Vinyl and linoleum floors are subjected to daily wear, foot traffic, and cleaning routines. Professional PU protection refreshes the surface and creates a tough, durable barrier that helps preserve the floor's appearance and performance over time.

- Durable PU protection
- Extends the life of the floor
- Ideal for renovating existing floors
- Resistant to dirt and liquids
- Sustainable solution, renovation Instead of new
